# ROSEBANK NURSERY

HORACE R. MANN, Proprietor  
Winchester, Tenn.

U.S. Department of  
Agriculture, Bureau of Plant  
Industry, Washington.

Our plants are now ready for shipment. We can furnish the varieties shown on reverse side of this card and guarantee them to be large fresh plants. Place your order today. Directions, how to care for and grow plants, kind of soil, location, setting the plant, cultivation, will be sent for 10c to cover cost of mailing.

**Terms: Cash with Order**

**PACKING**—Is done in the best possible manner in crates and baskets, using plenty of moss or well heated sawdust. We will do our part to make our dealings pleasant and profitable to you. Order from this card. If you are not ready for plants to be shipped let us book your order to be shipped when wanted. Those that order 10,000 or more may have plants shipped to suit their convenience. Awaiting your early order.

Very truly yours, **ROSEBANK NURSERY.**

**Notice**—All of my varieties are self-supporting and do not need the aid of any other to make them fruit well.

**Save this Price List**

Send in your order at once for the plants you need. But please don't throw this list away or allow it to get lost. There will be other times you may need it, hang it on your file or keep it in some place where it can be found quickly. I will also appreciate it if you will tell your friends and neighbors about me and I will be glad to send them my price list on request.
